EVERY STUDENT IS UNIQUE

Exceptional learning is for every student. Each student has unique gifts, abilities, and learning styles. We work to differentiate learning so that each student can succeed.

Our staff takes a vested interest in student learning, growth, and spiritual well-being. They develop a mentor relationship beginning in Grade 9 and foster these connections through to Grade 12, getting to know each student's diverse interests, strengths, and gifts.

We understand that ultimately God transforms the lives of our students at HDCH, and it is with this in mind that we trust our mission to be clear and to be the directive of our school.
